DORKING CHAMBER ORCHESTRA
30TH ANNIVERSARY SEASON
2018 - 2019

Dorking Chamber Orchestra is a talented ensemble of local musicians now celebrating its 30th season since its foundation by conductor Colin Gray. We aim to perform to the highest musical standards and provide interesting programmes for our audience, whilst creating opportunities for excellent soloists and combining classical favourites with lesser known works.

We are always interested in hearing about potential collaborative projects with soloists, choral groups, composers or other artists. If you are interested in working with us in the future please get in touch via the contact form on our website.

We also like to hear from our audience, so if there is anything you would like to hear us play please feel free to get involved in future concert planning and let us know through the contact form on our website.
